Date of Public Hearing: April 21, 2005

Time of Public Hearing: 6:00 p.m.

Comments Due By: April 21, 2005

The Director of the Kentucky Division of Water, Department for Environmental Protection, has scheduled a Public Hearing for the purpose of soliciting input and comments from concerned individuals on this draft permit.

WEST COUNTY WASTEWATER TREATMENT PLANT (Louisville and Jefferson County Metropolitan Sewer District), 11621 Lower River Road, Louisville, Kentucky. KPDES No. KY0078956. This permit action involves an existing municipal discharge from a publicly owned treatment works (POTW) that enters the Ohio River at mile point 358.1 (COE 623.3) in Jefferson County. This permit action is being reissued with a modification because the plant is scheduled to be reworked to allow a re-rating of the design capacity from 19.5 million gallons per day to 30 million gallons per day. The construction changes are to sludge handling and transport to the MSD Morris Forman plant. Tanks that have been used for sludge treatment will be converted to wastewater treatment. Permit Writer: Sue L. Davis.

This hearing will be held on **April 21, 2005 at the Jefferson County Metropolitan Sewer District Board Room, 700 West Liberty Street, Louisville, Kentucky.** So that all comments receive full consideration, they are not responded to at the hearing. However, all comments will be considered by the Division prior to any final action and a response to comments prepared in accordance with 401 KAR 5:075, Section 11 and 12. Persons wishing to comment upon, support or object to this proposed action are invited to submit comments to the Division of Water, KPDES Branch, 14 Reilly Road, Frankfort, Kentucky 40601. **All comments must be received by April 21, 2005.** The permittee's name and KPDES number should be included in the first page of the comments.

Additional information or copies of the draft permit may be obtained by contacting Courtney Seitz or Sue Davis, Division of Water, KPDES Branch at (502) 564-3410. Three (3) days advance notice may be required for inspection of files.

The meeting facility is accessible to people with disabilities. The cabinet will provide, upon request, reasonable accommodations including auxiliary aids and services necessary to afford individuals with disabilities an equal opportunity to participate in all programs and activities. If an interpreter or other auxiliary aid or service is needed, contact Courtney Seitz in the Environmental and Public Protection Cabinet, Division of Water, KPDES Branch before April 19, at (502) 564-3410 between 8:00 a.m. and 4:30 p.m. (e.s.t.).

Commonwealth of Kentucky Antidegradation Statement

Antidegradation determinations have been made in regard to the permits referenced in this Public Notice. Any information concerning the foundation of the Division's position as to these determinations is addressed in the permits' Statement of Basis or Fact Sheets and all supporting documentation is available in the permit files maintained at the Division central office in Frankfort, Kentucky. Kentucky's antidegradation policy is found in Regulation 401 KAR 5:029, Section 1. Antidegradation policy implementation methodology is defined in Regulation 401 KAR 5:030. The primary purposes of these regulations is to safeguard the surface waters of the Commonwealth for their designated uses, to prevent the creation of any new pollution of these waters, and to abate any existing pollution.

GENERAL INFORMATION

The KPDES program issues permits for all treatment facilities which discharge, or propose to discharge, to waters of the Commonwealth which are classified for domestic water supply, for fish and aquatic life, and for recreation. Proposed KPDES permits are written to protect the classified uses of receiving waters and contain limitations on the amounts of pollutants to be discharged and other conditions. The proposed permits are drafted in accordance with applicable provisions of the Kentucky Revised Statutes and appropriate regulations. The permit conditions are tentative and open to comment from the public. Persons wishing to comment upon or object to the proposed action (permit issuance, modification or termination) or the proposed permit conditions are invited to submit comments to the Division at the following address: **Department for Environmental Protection, Division of Water, KPDES Branch, Frankfort Office Park, 14 Reilly Road, Frankfort, Kentucky 40601, Attention: Inventory & Data Management Section.** The comments must be received by the comment due date stated at the beginning of this notice. The applicant's name and KPDES number should be included in the comments.

Interested persons may also request that the Director of the Division hold a public hearing on any application. The request must be filed within the comment period and must indicate the interest of the party filing it and the reasons why a hearing is warranted. When there is public interest, the Director will hold a public hearing pursuant to 401 KAR 5:075, Section 7. After consideration of comments submitted during the comment period, the hearing record, if any, and the requirements of the Federal and State Acts and appropriate regulations, the Director of the Division will make a determination regarding final permit action.

Permit applications, draft permits, fact sheets or statements of basis, and additional information are available by contacting the Division of Water. Business hours are 8:00 a.m. to 4:30 p.m. Monday through Friday, except for holidays. A copy machine is available for public use at 10 cents per page. Three (3) days advance notice may be required for inspection of files. **Please bring the preceding to the attention of persons whom you know will be interested.**

The Environmental and Public Protection Cabinet does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment or the provision of services and provides, upon request, reasonable accommodation including auxiliary aids and services necessary to afford individuals with disabilities an equal opportunity to participate in all programs and activities.
